How to quit ?**

*Passacaglia by Carole Lacaille*

## **“Passacaglia” : How to quit ?**

**Price of the class: 35€**

**Description:** A quilt isn't finished until it's quilted.

Let us study how hand or machine quilting can enhance or magnify such a spectacular quilt as a “Passacaglia” pattern.

### **Part one: Theory and Techniques**

- How to prepare the top: a crucial stage upon which beautiful quilting depends
- Hand quilting or machine quilting: which technique to choose
- Materials: threads, needles, batting

### **Part two: Real-life Case Studies**

We will look at your quilts on a case by case by basis:

- How to quilt according to the piecing technique used
- How to enhance rosettes choose fabrics, patterns, colors, etc.
- What patterns to choose
- How to handle mistakes and imperfections

Completing a quilt depends upon the quilting itself. How many “to quilt” tops have been stored away in our closets? After so many hours of hard work assembling together a multitude of small pieces, it is such a shame to leave these tops unfinished!

**What to bring: your top, whether in progress or finished.**
