Workshop**

Chain Reaction - Artisan Quilt Workshop

Price of the class : 120€

Duration: from 10.30am to 5pm

Description: Chain Reaction is a pattern from the new Kaffe Fassett Artisan book.

This design was inspired by a very scrappy quilt I saw on Ebay – I simplified the concept to showcase my new simple two colour prints and batiks.

You could make it more scrappy if you bring lots of contrast prints and small scale prints.

This is a class suitable for beginners who already know how to sew a seam and how to use a rotary cutter. It is also for more advanced quiltmakers who wish to concentrate on complex colour development.

For this lesson, the students must bring:

- Rotary cutter
- Cutting mat - at least 12" x 18"
- Rotary ruler - at least 6" x 12"
- Fabric scissors
- Pencil
- Pins
- Optional: reducing glass or peephole

Please note: No sewing takes place during the workshop.

On the day you will be able to buy a whole range of fabrics. Kaffe will be able to assist you on picking out different colours to use for your quilt.

BEFORE THE CLASS

TEMPLATES : No templates are needed for this class.

MAIN FABRICS :

Make your own choice of a color palette. It can be all pastels, or dark tones, or cheerful brights.

This quilt is also good for a collection of "ethnic" fabrics, such as all indigos or all Oriental prints.

There should be contrast in the backgrounds for the prints to show clearly.

Bring an assortment of at least 6 different prints, 1/4-1/2 yd each

Bring an assortment of at least 6 different Kaffe Fassett Shot Cottons or small texture fabrics that go with your selection of prints, 1/4 - 1/2 yd each.

NOTE: Please feel free to bring any fabrics that you would like to use in the class - these do not have to be Kaffe Fassett Collective fabrics.

There will be plenty of time to cut the fabrics in class so do not precut any fabrics.
